Not Joseph Gibson. He's been great

Big Country is a different person

Okay! Sounds good. Joseph Gibson will be the regular person on Sundays.

I'll find out Big Country's real name and he will not return to historic.

Hope you got my message. Should I meet in front of your office or mine?

I did! 10:30 is good. I'm thinking we'll meet you at your office so we can pick up all the signs from there.

No rush! We're here whenever you are free. We're just going over the plants in front of your office

We're going to go make a home depot run. I'll call you at 12 to start back up again.

Ok

I'm not going To have too much time - gotta 12:30 but can we save Spring & Broadway and 5/6 for another day? Do every other can on the other streets to save signs. Maybe only one on LA Street for now at 6/LA

Please call me when you have a moment

1/2 Hey! So we'd like to do Monday 6/10 night after 5:30pm and Tuesday 6/11 morning starting at 5:30am. Do you think they'd be okay with splitting the day li

2/2 ke that?

Not at 5:30am

Earliest would likely be 8am. That would mean a 3:30am wake up

6/5/19, 11:54 AM

Where would they meet LAPD?

Is for Los Angeles graffiti? Unless otherwise directed they'll start at Los Angeles and 4th. But if you'd like them to go to LAPD first they can.

If it's for the pressure washing tomorrow, they'll pick up all they're equipment at Chrysalis and head straight to LAPD.

Liked "Is for Los Angeles graffiti? Unless otherwise directed they'll start at Los Angeles and 4th. But if you'd like them to go to LAPD first they can."

Nathan, This is for the graffiti on Los Angeles. The escort by LAPD to keep our clean team safe from gang intimidation. LAPD would like to know where the clean team will begin, and where to meet up with the clean team.

I gave them a time of 7:30am on Tuesday, and Monday afternoon at 5:30pm.

1/2 Got it! Both those times work for us. We'll plan for Monday to start at 4th and Los Angeles and see how much we can get done that night. Let me know if t

2/2 hey end up wanting us to meet up at LAPD before.

LAPD will be there 5:30 Monday 4/LA

Sounds good! We'll be there!

6/10/19, 5:23 PM

1/2 Hey Blair. Just wanted to give you a heads up. We are getting set up with the paint, but it looks like most of, if not all, the roll up gates have been p

2/2 ainted over. We'll get what's here, but just wanted to give you heads up.

We went ahead and got started. LAPD hasn't arrived yet, which is fine. There is only 1 or 2 5th/Hill tags. We think we'll get all the gates this evening.

Ok darn I'm trying to coordinate now not verdin what happened

Certain

No worries at all. I think we're okay. There is not too many tags. And our guys know to leave and call safety if anyone approaches them.

Mike Flanagan is coming down. You get a Sergeant. Lol

Ha! Okay, they are now on the southeast side of Winston and Los Angeles. Moving down the east side towards 5th.

I just left them a few minutes ago but they are there.

Yes! He's there! Thank you!

Is LAPD there yet?

Liked "Yes! He's there! Thank you!"

Of course. Just want our folks to be safe

Levell's number is 323-915-6871

I got him

Thank you again

Of course! Happy to help!

In a meeting can call later

Got it! So the lift gate is out today, but we will have it first thing Thursday morning. So we can move the planters then.

Ok thanks

6/20/19, 9:09 AM

Hey! We're ready to move the last two planters off 6th. Any idea where you want them to go?

Good question!

Sorry we didn't coordinate this earlier I'm about to walk into a meeting I can't think right now let me try

No rush at all! We can move them later in the afternoon. We have the vehicle we need all day today.

6/25/19, 3:48 PM

1/2 Hey Blair, just a heads up. There is a police foot pursuit on Main Street. The guy ran into 512 S. Main St. We're making sure all the maintenance team is

2/2 out of the area. All of people are safe. Just want to give you heads up that were moving the clean team away from there.

Ok I'm getting updates as well

Is this a hostage situation at your office?

No, it was a Chase that turned into a hold out right next door to us. Whoever the guy is, he's currently hiding in the Leonide or the Sandbourn.

The police have the whole block on lockdown. We have all our doors locked. Aside from being stuck we're all safe.

They have two blocks lock down in every direction so I can't even get to you

Police came into our office and escorted everyone out so we're all going home. I did hear that the SWAT team just went into the Leonide.

1/2 Hey quick update. The delivery was cancelled for today. Rescheduled for Tuesday next week. Sounds like they double booked their driver? Any I'll let you

2/2 know on Tuesday when they're coming.

Ok thanks

She didn't send a conference call in number

Should I let you talk to her first and I will follow up right after?

Okay, just let m know. I did talk to Julie yesterday and it ended really well we talked through a lot of challenges and expectations.

Oh well maybe this is unnecessary?

Yeah it might be. I would be okay if you told her she could come to me if she had anything she wanted to talk about.

Thanks, Mathan

Nathan

7/1/19, 10:51 AM

You might want to update Trevor as well

7/1/19, 2:25 PM

Yeah, he's been in the loop!

7/2/19, 1:16 PM

1/2 Hey Blair. The new trash cans are going to be delivered at about 1:40 to Chrysalis, if you wanted to be here to inspect them. If not no worries, me, Chri

2/2 s, and Mike will be here.

On my way

Are they here? I'm dropping in on the Nickel

Not yet! I'll call you as soon as they get here.

7/2/19, 4:52 PM

The delivery company made some kind of mistake and will not be delivering today. I had it rescheduled to Tuesday 7/9. I'll keep you posted.

ugh Ok

Yeah. They promised me it will be on time next week.

7/9/19, 11:31 AM

Hey. They look like they are in good condition. We're inspecting each one, but here is what they look like.

Nice!

Now we just have to lay out the best places for them

7/18/19, 10:50 AM

Can you talk?

Text me a good time

Hey! Blair if you want I have about 20 minutes free right now, otherwise I am free any time after 2pm. What do you think?

7/22/19, 11:22 AM

Hey! As long as 2pm is still good, I'll meet you at your office and I'll bring the map of all the cans for reference.

7/22/19, 12:31 PM

Ok sounds good Although it might require a site visit

Yeah! We can move around as needed. Just figured it would be good to start there.

We're right outside, whenever your ready!
